PROGRAM INFORMATION

TECHNOLOGY IN THE COURTROOM

8:45 AM to 12:25 PM

The State Bar of California's Criminal Law Section, in partnership with Southwestern Law School, presents Technology in the Courtroom.

Now that you've purchased a new laptop and iPad for work, learn how to use this technology in court. Our instructors, practicing prosecutors and defense attorneys, will show you how to navigate your technology for maximum use, from calendaring and note taking to searching a document, and clipping an audio recording to presenting a closing argument presentation. Participants will learn how to create a PowerPoint presentation, use an iPad in trial, and go paperless.

Join us for this unique "hands on" program - bring your personal laptops and iPads while instructors demonstrate how they can be used in court and in practice.
